THE IOWA ROYAL SALE, recognized as the very top State Shorthorn sale in the Nation, is sponsored by the IOWA SHORTHORN BREEDERS' ASSOCIATION which also has always been recognized as one of the most progressive state associations in the NATION.

THE IOWA ROYAL HAS ALWAYS BEEN GREAT BUT THIS 1967 IOWA ROYAL WE BELIEVE WILL BE THE GREATEST.

The 57 herd bull prospects and the 22 outstanding females in the Iowa Royal Sale are better than the usual high standard of Iowa Royal Sales.

There are many top show winners included and the bloodlines and ancestry are of the very best.

Confirm this by studying the catalog, note the consignors, the pedigrees, the footnotes and the outstanding records.

Breeders, ranchers and farmers from coast to coast and from the Canadian border to the Gulf of Mexico in great numbers have come to the IOWA ROYAL for seed stock in the past. THEREFORE, this year, make it a point to join them and see one of the truly top STATE SHORTHORN sales in the NATION. Definitely, the IOWA ROYAL offers as much or more in the way of real quality and honest-to-goodness real producing Shorthorns than any other very top Shorthorn sale in the NATION.

LANE VIEW ENSIGN — Since we are retaining so many of his daughters we have decided to sell this good 5-year old herd sire which has left his mark in our herd. Royally bred, his sire is a half brother to Chicago, Kansas City and San Antonio champion steer. The dam by an Iowa State fair reserve champion, the granddam by an International first prize winner. He has a great record as a sire. He sired the 1966 Iowa Royal reserve champion bull. At the 1966 Iowa State Fair he sired the first prize junior bull calf, second prize senior heifer calf, second prize junior get of sire and third prize senior get of sire; also the first prize junior bull calf at Nebraska. He is really sound and right in every way and a sure breeder. We consider him one of the best bulls we have ever produced. We are selling 4 bulls and 3 females by him in this Royal sale. A real opportunity to buy a tried proven sire. Guaranteed in every way.

Barbarian Prince 2D. He sells.

An unretouched photo taken when he was reserve champion at the 1964 Iowa Royal. Also the sire of lot 66 that sells in this sale.

BARBARIAN PRINCE 2ND — We offer this outstanding proven sire because we have three outstanding calf crops by him and are retaining all his heifers, but our herd is not large enough for two herd bulls. But since he is still sound, sure and a real good breeder, his service should not be lost to the breed. This bull is richly bred and has a great record. He was reserve champion at the 1964 Iowa Royal and bought for \$1200. His full brother Barbarian Prince was the 1962 Iowa State Fair Reserve champion and sired top cattle in the Tomson herd in Kansas. His sire was the great sire, the \$5,000 Louada Barbarian. His dam was by the International champion N-Bar Prince. A daughter of this bull also sells and will be proof of his ability as a sire. Sells fully guaranteed in every way.

He won the senior calf class at the 1965 Iowa State Fair, stood second to the reserve champion at the 1966 Iowa State Fair, as a senior yearling. Was grand champion at the 1966 All Iowa Fair. Is a full brother to P F Dividend, that was champion Short-horn bull at the 1963 Congress show and sale, selling for \$2500 to Hortensia Farm, Holmdel, N. J. Another full brother was a class winner at the Iowa State Fair that later sold for \$1000. A half brother P F Nugget was reserve All American two-year old in 1965. Grand champion at the 1965 Iowa State Fair, champion at the 1966 Iowa Royal show and sale selling for \$1650 to Len-Ru Farm, Hartley, Iowa. His all imported pedigree background cannot be faulted. It contains some of the greatest bulls of the breed. We have bred some heifers to him and will breed some more until sale time. Weight Dec. 22, 1966, 1760 lbs.

ROYAL CAVALIER — This two-year old bull is very good headed with plenty of bone and size for his age. His sire that has bred very well for us transmitting a lot of size and ruggedness to his get is by a good imported sire and a grandson of Calrossie Outlook. TRAVELER'S CAPTIVE—Here is one of the really good bulls to be offered for sale anywhere this year. Further, he has a great show record to prove it. He was the **GRAND CHAMPION** bull at the Minnesota State fair, North Iowa fair and Clay County fair. The reserve champion at the All Iowa fair and the reserve senior champion at the Iowa State Fair, all in 1966. Good headed, level lined and well balanced, he stands on four sturdy legs and sound feet. Royally bred, he is by one of Northwood's sale tops, Northwood Pioneer who sired the first prize senior get at Iowa State Fair and both first senior and junior get at Minnesota State Fair last year. His dam by the strong imported bull comes from a great producing imported Clipper family. The granddam is by the famous Lawton Priam who sired so many champions and International sale tops for Studer Shorthorns. He is a bull that any top breeder can well afford to spend some time and trouble to see.

K A JUNIPER — There isn't a bull in Juniper's pedigree that hasn't made a name for himself. The mating of Rothney Justinian on daughters of K A Cagarac is proving to be a terrific nick. We feel K A Juniper is one of the really top sons of the 1956 Calgary Champion Rothney Justinian, and they have been sold into eight states at numerous four figure prices. Juniper is extremely trim, smooth, tight — has that rugged stock bull look about him.

Worth, Texas show just prior to this Royal sale and firmly believe he will speak for himself in the show ring. This calf is bred to be a breeding bull. His sire, Louada Rothes Prince, a full brother to the famous Louada Rothes King, sired the reserve grand champion bull, first junior get and reserve senior get at the 1966 Denver Show. Also reserve champion female and reserve senior and junior gets at the 1966 Ft. Worth show. His dam is a full sister to a former Ft. DIAMOND H HARMONY — Here is the first bull calf by the \$3,000 Bilmar Golden Diadem, our great breeding son of the Great Calrossie Diadem. His dam is a double bred granddaughter of the \$4100 Calgary champion Rothney Kinross and comes from a great Harviestoun Clipper family that has always produced top cattle. Although a little young, he is the calf everybody has been talking about that have seen him since the day he was born, so we finally agreed to enter him in the Iowa Royal. As his photo indicates, he has about everything, a great head, tremendous quarter with a world of natural thickness, depth and heavy bone. We honestly feel he is probably one of the best prospects we have ever produced and offered for sale. A herd bull prospect that many could buy and afford to wait on a little.

CLARET PRIDE 29TH — Here is a very good and exceptionally well bred heifer that placed 4th in a strong class of 20 summer yearling heifers at the 1966 Iowa State Fair and has developed very well since then. Her full brother was the good bull that sold to Braywood Farms for \$850 in the 1966 Iowa Royal Sale. By Kickapoo Keynote, dam by Kickapoo Marshal Chief, granddam by the noted Ringwell Illustrious, here is proven breeding. To make her still more valuable she will be bred by sale time to our new herd sire, Scotsdale Westgate, who shared the second top at \$3500 in the 1966 Aberfeldy-Ettrick-Scotsdale Sale. He is by the Perth champion Naemoor Escort and out of Dungarhill April Queen who was a top selling female at Perth.

STUDER'S PRINCESS — An outstanding heifer by Northwood Traveler who sired so many champions and winners in strong 1966 shows. Her well bred dam out of an imported cow is a granddaughter of the famous Calrossie Crocus Count, considered the greatest bull in Scotland of his time and probably one of the best sons of the great Calrossie Welcome. To make this heifer doubly attractive she was bred in November to the \$4500 Louada White Knight by the great Louada Rothes King and out of Bapton Mavis Crocus who was also the dam of Bapton Pioneer at Northwood, Louada Masterstroke at Maclyn Plantation in Georgia and Louada Masterpiece in the Sittyton herd in the Argentine. We have some wonderful calves by Louada White Knight and this good richly bred heifer should produce an outstanding calf by him. This is a foundation heifer for the best of herds and the kind rarely offered for sale.

We really had intended to keep all our Diadem heifers but in offering his first calves did wish to have both sexes represented to show the kind of each he sires. This heifer ran out until Jan. 1st with her dam, a first calf heifer that is sired by another Calgary champion, Rothney Masterstroke by the \$31,000 Perth champion Bapton Cairnbrogie. The granddam is by Goldfinder's Consul an International second prize winner who sired an International open show first prize steer. This heifer has a great rear quarter and a lot of real natural thickness and depth. She is a show prospect and will make a real brood cow. Some 4-H or FFA boy or girl would be on the right track with one like this.

L A CLIPPER MAID 3rd — A beautifully bred junior heifer calf that can go into any herd. She is by the good Imp. Pittodrie Grenadier that was used some at Louada. The dam is from that very good Marellbar Clipper family and is by the International reserve champion Kair Ranger. The granddam is by the famous Imp. Beaufort Bulldozer who sired a champion bull and female the same year at the International. We have two good cows out of the same dam in the herd. This is a real breeding herd prospect.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
